Brief description of agenda items and discussion:

#### **1. High School Courses proposed for the 2024-2025 School Year**

Karen Langlands, Juliana Lewis (Secondary ELA Curricular Leader), Paul Sibley, and Donald Brosky presented proposed updates to High School Courses for the 2024-2025 school year. The proposed courses below followed the curriculum evaluation process and were recommended by Educational Services and the district's K-12 Evaluation Committee.

- **AP Computer Science** – New Offering
- **PE Sports Officiating** - New Offering
- **11 Grade English Semester Courses** – Replace the year-long English 11 courses. For 2024-2025, students will enroll in two semester long courses. There will be four options from which to choose.
- **English 9 Focus** - Students will enroll in regular English 9 in addition to the one-hour support class. The support class replaces the current two-hour block class, in which students received a replacement curriculum.

A motion will be taken to the Board of Education for consideration at the April 15, 2024 board meeting.

Meeting adjourned at 6:03 p.m.

Respectfully submitted,  
Donald Brosky
